For more information or to RSVP,
please call 818.551.1501 or email info@healwithin.com

Domestic violence is the willful intimidation, physical assault, battery, sexual assault, and/or other abusive behavior perpetrated by an intimate partner against another. It is an epidemic affecting individuals in every community... result[ing] in physical injury, psychological trauma, and sometimes death. The consequences of domestic violence can cross generations and truly last a lifetime

(National Coalition Against Domestic Violence, 2007)
